VIRTUAL MEETING FOR KEY STAGE 2 PARENTS AND CARERS

Dear parent/carer,

A virtual meeting will be held for KS2 parents/carers on Thursday, October 22nd at 4.30 p.m. This will be an opportunity for parents to receive information regarding contingency plans if a class should need to self-isolate or during a planned school lockdown period.

To access the meeting, please sign into you child's Hwb Cymru account. Then access your child's Google Classroom via "Google for Education". Click on the link shown in the "Stream" section to join the meeting which will be held via Google Meet.

Further instructions for accessing Hwb Cymru and Google Classroom can be found on the school website in the 'Newsroom' section. The document is entitled "Guide to Google Classroom".

We look forward to welcoming you to our virtual meeting on Thursday.

Many thanks for your continued support and co-operation.

Yours sincerely,

SLRees
