Dear Parent / Guardian,

We have been informed that an individual at our school has tested positive for COVID-19. We would like to reassure you that there is no immediate cause for concern and provide you with as much information as possible.

We are working closely with Carmarthenshire County Council and NHS Wales Test, Trace, Protect (TTP), and are following all the advice and guidance provided to us.

Pupils and staff members of the Nursery/Reception Class have been identified as potentially coming into close contact with the individual that has tested positive. The TTP team have confirmed with us that the Nursery/Reception Class will need to self-isolate as a precaution. The return date will be confirmed in due course.

If your child is required to self-isolate, everyone else in the household can continue as normal and go to work / school (however if your child becomes symptomatic, the whole household would then need to self-isolate).

This process of testing and contact tracing is part of the 'new normal' and where schools follow these guidelines carefully, there is no cause for alarm.

In the event of any further positive cases, all updates will be published on the council website <https://www.carmarthenshire.gov.wales/home/council-services/education-schools/>

We would like to take this opportunity to remind you that if you, your child or anyone you live with, begins to display the following symptoms you must all stay at home and follow advice from Public Health Wales:

- A new continuous cough and/or
- A high temperature
- A loss of or change in your normal sense of taste or smell.

If your child becomes unwell outside of school hours, with or without any of the COVID-19 symptoms or needs to self-isolate, please report this by calling Delta Wellbeing on 0300 333 2222 or by emailing TTP@deltawellbeing.org.uk who will notify the school on your behalf.

During school hours and for all other health-related issues please inform the school directly.

If you or your child feels unwell and you need medical advice, please phone NHS 111 or visit their website 111.wales.nhs.uk, or call your local GP.

It is important that we all remain vigilant and maintain social distancing, continue to wash our hands frequently and wear a face covering where required to prevent the spread of the virus as much as we can.

We hope that the information we've provided is reassuring and helpful during what we appreciate can be an anxious time. As always, we appreciate your continued support. If you have any questions, please do not hesitate to get in touch.

Best regards,

Louise Rees
Acting Headteacher
