## I can draw and interpret line graphs

Average daily maximum temperature in Tycroes during the year:

Month	J	F	M	A	M	J	J	A	S	O	N	D
Temp (°C)	3	5	9	14	12	16	18	17	15	11	8	5

Plot these points on the graph below:

- 1) Which was the warmest month? \_\_\_\_\_
- 2) Which was the coolest month? \_\_\_\_\_
- 3) What was the temperature in November? \_\_\_\_\_
- 4) In which month was the temperature 12°C? \_\_\_\_\_
- 5) What does the graph show about the temperature in Tycroes?
