## Home – School Agreement: Phased Return to School (COVID-19)

This Home-School Agreement has been drafted to **clearly communicate expectations** relating to pupils, parents/carers and the school in the phased return to school during the Covid-19 pandemic. It is vital that all stakeholders know what is expected to **safeguard the health, safety and well-being** of everyone concerned and to **maximise the learning opportunities** for our pupils.

Please refer to the Carmarthenshire 'Frequently Asked Questions' pages which may be able to support you with your queries:

## THE SCHOOL

### The school commits to:

- **Provide a safe and welcoming environment**, which has been **risk assessed** in response to the COVID-19 virus.
- **Create class groupings work within contact groups**, wherever possible minimising contact between groups.
- **Follow Carmarthenshire County Council Risk Assessment Policy, in conjunction with the Welsh Government Guidance:** <https://gov.wales/keep-education-safe-operational-guidance-schools-and-settings-covid-19>.
- **Mitigate and reduce as many risks** as possible in our school setting.
- **Social Distancing** - We will do our utmost to adhere to, and enforce, **social distancing rules in and around school**.
- **Designate drop off and collection points** for the start and end of the day.
- **Stagger times for arrival and departure** for different year groups and staggered break times.
- **Hand Washing**- Pupils and staff will be required to wash/sanitise their hands thoroughly and regularly throughout the day. Correct hand washing will be modelled and supervised by staff, in an age-appropriate manner. In addition, dedicated hand sanitising stations will be available around school.
- **Classrooms** – Key Stage 2 children will be seated facing forward so as to minimise face-to-face contact. Each child will have their own pack of resources provided from home or school, solely for their use. Please **do not send in unnecessary items** from home.
- **Cleaning:** Cleaning regimes will be rigorous, with regular cleaning of frequently touched surfaces, door handles, toilets, etc.
- **Hub Provision:** In the event of a further lockdown, if the Local Authority deems in necessary then our school will continue to support children of keyworkers and vulnerable pupils who require hub childcare provision. However, please note that parents should still make every effort to care for children at home at this time. If a hub place is necessary, please make sure you book in advance, as advised. A priority system will apply.
- **Clothing/uniform:** The school expects pupils to wear uniform. Ideally, clothing worn to school should be washed on returning home.
- **Food and drink:** The school kitchen will re-open on the 14<sup>th</sup> September. All pupils will need to bring in their own packed lunch, snacks and drink until this time. There will be facilities for filling water bottles.
- **Attendance:** Welsh Government have stated that all children should return to school unless there is a medical reason why they cannot do so. Shielding has been paused as of the 16<sup>th</sup> August. Distance learning will continue for all pupils who are at home on medical grounds supported by a medical professional. All other absences related to non-returning pupils which are not covered by the usual attendance codes, will be recorded as unauthorised;
- **Symptomatic Pupils:** The school will contact parents/carers if a child displays symptoms of COVID-19 and parents will be expected to collect children from school immediately and follow the 'Test, Trace and Protect' procedures.
- **Isolation Room:** If a pupil shows symptoms of COVID-19 whilst in school, there will be an isolation room made available for them.
- **PPE:** WG guidance does not require the wearing of personal protective equipment (PPE) at this time by either staff or pupils, other than in cases where social distancing is compromised, e.g. first aid, assistance with toileting, and where bespoke packages of care and support dictate this is necessary.
- **Provide key experiences:** We will focus on all pupils' **well-being** as well as their wider learning. Pupils will also be made familiar with strategies to use as part of distance learning should we need to work in this way again.

## PARENTS / CARERS

Parents/carers are required to respect and adhere to guidance set out by Welsh Government, the Local Authority and the school, in order to ensure staff, pupils and their communities remain as safe as possible.

Families are required to consider the health of their child/ren daily. Please do not send any children to school who:

- Feel unwell;
- Have any of the three identified COVID-19 symptoms (a new continuous cough, a high temperature or loss of taste or smell) or they have tested positive to COVID-19 in the past 14 days;
- Live in a household with someone who has symptoms of COVID-19, or has tested positive to COVID-19, in the past 14 days;

Parents/carers should **agree to the following**:

- I will support school staff in their efforts to create a safe environment during this crisis by following school and government guidance in minimising any possible risk;
- I will support my child with their learning at home, in line with the school's expectations;
- If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately, arrange for immediate testing and follow the 'Test, Trace and Protect' procedures;
- In this instance, or if anyone in my household shows symptoms of COVID-19, we will self-isolate, in line with government guidance;
- I will let the school know results of testing, as soon as possible;
- When dropping my child off and collecting, I will adhere to the allocated time and 2 metre social distancing rules. I will wait at the designated drop off/collection points;
- I will remind my child about social distancing rules and encourage this practice as far as possible, according to their age and ability;
- My child will wash their hands before coming to school and every effort will be made to provide clean clothes each day;
- I will provide lunch, snack and drinks daily until such time that the school catering systems are in operation;
- I will not send my child to school with any unnecessary items;
- I will not enter the school building without an invitation. If I need to talk to my child's teacher, I will phone, email or leave a message with the member of staff at the drop off/pick up point;
- If my child's behaviour is deemed unsafe/not following the rules, I will collect him/her as soon as possible. I agree that he/she will undertake supported home learning, until it is agreed that he/she can return to school safely;
- If an ALN plan/Healthcare plan/individualised risk assessment is in place for my child, I will discuss this with the school so I can support them in using the necessary measures to keep my child and others safe.

- Follow good hand hygiene – use soap and water for 20 seconds using the correct technique / use hand sanitiser;
- Behave well **at all times** to maintain the safety of myself and others;
- Stay in my own classroom and not leave without an adult's permission;
